## 1. Attendance

Students must maintain a minimum of 75% attendance in each course to be allowed to sit for the end-semester examination. Students below 75% are marked 'Detained' in that course and must repeat it.

Attendance shortage of up to 10% can be condoned on medical grounds if a medical certificate is submitted to the department within 7 days of returning to class. Condonation is never granted below 65% attendance.

## 2. Grading System

Courses are graded on a 10-point scale: O (10), A+ (9), A (8), B+ (7), B (6), C (5), and F (0, fail). The cumulative GPA (CGPA) is the credit-weighted average of all grade points earned.

## 3. Academic Probation

A student whose CGPA falls below 5.0 at the end of any semester is placed on academic probation. Students on probation may register for at most 18 credits and must meet their faculty advisor every two weeks. Probation is lifted when the CGPA rises to 5.0 or above.

## 4. Re-evaluation of Answer Scripts

A student who is not satisfied with the marks awarded in an end-semester examination may apply for re-evaluation.

1. Apply on the Student Portal under Examinations > Re-evaluation within 7 days of the publication of results.
2. Pay the re-evaluation fee of Rs. 500 per subject online.
3. The answer script is re-evaluated by an examiner who did not evaluate it the first time.
4. If the marks change by 10% or more, the revised marks replace the original marks and the fee is refunded.
5. Re-evaluation results are published within 21 days of the application deadline.

## 5. Supplementary Examinations

Students who fail a course may take the supplementary examination held in July. The supplementary examination fee is Rs. 1,000 per course, and the maximum grade awarded in a supplementary examination is B.
