Scholarship Rules 2026-27

Greenfield University — Office of Student Financial Aid

1. General Principles

Greenfield University offers three institutional scholarships: the Merit Scholarship, the Sports Excellence Scholarship and Need-Based Financial Aid. These rules apply to all undergraduate students for the 2026-27 academic year.

A student may hold only one institutional scholarship at a time. A student who qualifies for more than one scholarship must choose one; the other application will be withdrawn. External (government or private) scholarships may be held together with an institutional scholarship.

Scholarships are awarded for one academic year and must be renewed each year. All amounts are credited directly against tuition fees; no cash is paid to students.

Summary of awards

Scholarship	Annual value
Merit Scholarship	Rs. 50,000 per year plus a 25% tuition waiver
Sports Excellence Scholarship	Rs. 40,000 per year
Need-Based Financial Aid	Up to 100% of tuition, based on family income

2. Merit Scholarship

The Merit Scholarship recognises sustained academic excellence. It is worth Rs. 50,000 per year plus a 25% tuition waiver. Up to 40 Merit Scholarships are awarded each year, and where more eligible students apply than awards are available, students are ranked by cumulative GPA.

Merit Scholarship Eligibility Criteria

Renewal

The Merit Scholarship is renewed automatically if the student maintains a cumulative GPA of 8.5 or above and has no disciplinary action recorded during the year.
