Internal Job Posting and Employee Referral Policy

Nimbus Technologies Pvt. Ltd. — Talent Acquisition

1. Internal Job Posting (IJP)

Open positions are posted on the IJP board on the HRMS for 7 days before they are advertised outside the company. Employees can apply to at most 2 internal positions at the same time.

Internal Job Posting Eligibility Criteria

1. The employee must have a minimum of 18 months of continuous service in the current role.
2. The employee must have a performance rating of at least 3 in the most recent appraisal cycle.
3. The employee must not be on a Performance Improvement Plan.

How to Apply for an Internal Position

1. Inform your current reporting manager before applying. This is mandatory.
2. Apply on the HRMS under Careers > Internal Jobs.
3. Talent Acquisition schedules interviews with the hiring team within 10 working days.
4. If selected, the release date is agreed between both managers and must be within 60 days.

2. Employee Referral Programme

Employees who refer candidates who are hired receive a referral bonus. The bonus is paid in two equal parts: half after the new hire joins, and half after the new hire completes 6 months.

Role level	Referral bonus
Associate / Engineer	Rs. 25,000
Senior Engineer / Lead	Rs. 50,000
Manager and above	Rs. 75,000

HR team members and the hiring manager for the position are not eligible for referral bonuses. Referrals are submitted on the HRMS under Careers > Refer a Friend, with the candidate's CV.
