Learning and Education Assistance Policy

Nimbus Technologies Pvt. Ltd. — Learning & Development

1. Purpose

Nimbus Technologies supports employees who pursue job-related learning. Under the Education Reimbursement program the company reimburses up to Rs. 1,50,000 per financial year in tuition and examination fees.

2. Education Reimbursement

Education Reimbursement Eligibility Criteria

1. The employee must have a minimum of 12 months of continuous service.
2. The employee must have a performance rating of at least 3 in the most recent appraisal cycle.
3. The employee must not be on a Performance Improvement Plan.
4. The course type must be one of: degree program, professional certification, or online course.

3. Reimbursement Process

1. Get pre-approval from your manager and the L&D team before enrolling, using the Learning > Education Assistance form on the HRMS.
2. Pay the course fee yourself and keep the receipts.
3. After completing the course, submit the receipts and proof of completion (certificate or grade sheet) within 60 days.
4. Reimbursement is credited with the next month's salary.

4. Service Commitment

Employees who receive more than Rs. 50,000 in reimbursement must remain with the company for 12 months after the course ends. If the employee resigns earlier, the reimbursed amount is recovered on a pro-rata basis from the final settlement.
