Work From Home and Remote Work Policy

Nimbus Technologies Pvt. Ltd. — Human Resources

1. Hybrid Working

All employees follow a hybrid model: 3 days per week in the office and up to 2 days per week working from home. Teams agree on common office days with their manager. Core collaboration hours are 11:00 AM to 4:00 PM IST.

Each employee receives a one-time home-office allowance of Rs. 15,000, claimable through the expense portal within the first 6 months of joining.

2. Remote Work Abroad

Employees may work remotely from outside India for a limited period, for example while visiting family. Payroll and tax remain in India.

Remote Work Abroad Eligibility Criteria

1. The employee must have a minimum of 12 months of continuous service.
2. The employee must have successfully completed probation.
3. The employee must have a performance rating of at least 3 in the most recent appraisal cycle.
4. The request must not exceed 30 working days per calendar year.

Requests must be raised on the HRMS under Remote Work > Abroad at least 21 days before travel and approved by the reporting manager and the IT Security team. Employees working on client projects that restrict offshore access are not permitted to work abroad.

3. Equipment and Security

Company laptops must be connected through the corporate VPN at all times when working outside the office. Public Wi-Fi may only be used with the VPN enabled. Loss of a device must be reported to IT Security within 24 hours.
